

# LEERVOLL (Fully Empty): Leerraum's Space for Listening

## Exhibition

This exhibition focuses on the label Leerraum [ ] as a platform for multi-channel sound releases concerned with ideas of sound in relation to space, silence, structure, and an active process of listening. Leervoll focuses on sonic constructions that explore the possibilities of environment and spatial listening, while also, drawing attention to structure, composition, and material interests. Additional information about Leerraum [ ] and its artists may be found at: <http://www.leerraum.ch>

Artists: Fourm, Richard Gareth, Andy Graydon, Marihiko Hara, Kenneth Kirschner, Pe Lang, Asher Thal-Nir, Mahmoud Refat, Zimoun
